4. Regularly monitor and review its performance for continual improvement; and

5. Implement a quality management system based on ISO 9001:2015 Standard

Vision

A world class University committed to scholarly excellence.

Mission

To provide quality university education and training, and to embody the aspirations of the Kenyan people and the global community through creation, preservation, integration, transmission and utilization of knowledge

Core Values

In our quest for timely provision of quality service, we shall be guided by the following Core Values;

- Freedom of thought and expression

- Excellence

- Care

- Good governance

- Innovativeness and creativity

- Partnership and teamwork

Table of Contents

1. Introduction

The University of Nairobi has responded to national, regional and Africa's high level manpower training needs by developing and evolving, diversified academic programmes and specializations in sciences, applied sciences, technology, humanities, social sciences and the arts. Through self-sponsored programmes, invaluable opportunity has been opened to thousands of Kenyans and non-Kenyans, who meet University admission requirements. The location of the University in the capital city and its environs is an advantage that has seen the university increasingly become a busy hub and citadel of academic activity at all times. In addition to the regular, evening and weekend programmes, classes are conducted at the university's campuses in Mombasa and Kisumu and also in the ODel Learning Centers located in the following locations: Garissa, Kakamega, Nakuru, Embu, Meru, Kapenguria, Kisii, Thika, Lokichogio, Lamu and Nyeri.

This booklet contains information about the entry requirements into the various undergraduate degree programmes, diploma, certificate and foundation courses offered at the University of Nairobi, the mode of study, fees payable and various contacts for further enquiries. Please note that the entry requirements conform to the Commission for University Education guidelines.
