DATE: February 22, 2022

TO : All Staff and Students

REF : UON/CA/UHS/300/11B

COVID-19 VACCINATION AND SENSITIZATION OUTREACH PROGRAMME

The University Vaccination Centre plans to conduct outreach of COVID-19 vaccination and sensitization sessions in the Campuses.

The vaccination exercise is in tandem with Ministry of Health guidelines and entails administration of COVID-19 approved Vaccines including Astra Zeneca, Pfizer and Johnson & Johnson (Janssen).

It is encouraged that those among the University Community - Students, Staff/Dependents, and who may not have been vaccinated or would be due for their second jab or booster, should avail themselves for the vaccination programme at the campus level as indicated in the schedule below:
