TO ALL STAFF AND STUDENTS

NOTICE OF THE UON COMPASSION DAY – WEDNESDAY DECEMBER 7, 2022

The University has been supporting needy students through various avenues. Since the beginning of the FY 2022-2023, over 700 students have requested for support. The University supported 181 needy students with bursaries and scholarships from our partners amounting to Kes. 9,537,000. Additionally, over 500 students have been placed on the University work study program. However, with more and more students requesting for support, these interventions are not adequate and there is the fear of some students opting to defer their studies

To mitigate these challenges, the University has organized a **Compassion Day on December 7, 2022** to mobilize resources to support needy students. The theme for this year's event is '*Caring for the needy students*' which is in line with the University's core value of '*Care*'.

Staff and Students are invited to support this worthy cause through donations in cash or in kind in form of clothes, shoes, beddings, personal effects, and electronic gadgets. You may also adopt a student and pay their fees directly to the Students' fee account or cater for their upkeep or accommodation fee.

Please note that donations should be channeled through the Deans of Faculties, Dean of Students Office or through the UON Needy Students Fund: **Pay Bill: (4061619) – Account Name: Needy Students**.
